

Welcome

Welcome to St. John's CCDC Super Star Preschool Room! Our room is filled with busy learning! A lot of our parents ask, "**When do they learn?**" We will tell you to look at them, study them while they are at play! Children learn **BEST** through play! Blocks make great math teachers, dramatic play teaches children real life situations, and art allows creative expression! All of our centers are set up for the child to explore and learn on their own accord!

Along with center time, we have "Circle Time", "Letter Time", "Jesus Time" and "Theme Time!"

"Circle Time"

Circle time introduces the children to their jobs, their responsibility for the day. We talk about weather, the date and what dates mean. We also do the Pledge of Allegiance and say a prayer. Circle time is at 9:15 am every morning!

"Letter Time"

During letter time, we closely examine the letter of the week. The children love to try to think of new and creative words that start with the special letter. Letter time is at 10:15 on a normal day!

"Jesus Time"

We use the "Growing in Christ" curriculum! Each week, the children will have a parent letter, craft sheet, and other items studied and sent home. We are also learning the "Lord's Prayer" and "Apostles Creed".

We ask the children to do a lot of things on their own. This develops great self esteem and they are also learning! From unpacking their own lunch to putting their bedding away, even using the potty without being told to do so, they are always learning. Learning goes on every second of the day!

We hope you enjoy your child's time in our classroom and we are very excited to get to know you!
